#### The Last Air Bender: Exploring the 4 Elements with a mind-body connection

We will explore the 4 elements: earth, wind, fire, and water in depth. Each day of the week will focus on one element through an art project, science project, physical/mental wellness activity, as well as literacy and math components. Each day will have a snack related to the element, like s'mores for Fire day! On the final day will have an Air Bender Olympics as well as a celebration to showcase our new learning about teach element.

#### Minnesota Sports Dreams (Hoop Dreams)

Did you know, Minnesota has many Black Sports Icons? Scholars will spend the morning learning and researching about our very own hometown Black Sports Icons. The afternoon will be dedicated to our Sports Clinic. Each day we will focus on a different sport, learn the fundamentals, rules and how to play the game. We hope to have some athletes come and visit us. We will end the week with a field trip. We encourage boys and girls to attend.

#### Settle My Soul

Students will have the opportunity to use art through drawing, painting, music and poetry to express themselves as they embark on a week-long journey of exploring their identity. Students will be able to explore questions like: Who am I? What am I good at? Who do I want to be? How do I deal with my emotions? The week will culminate with a mural painted together and displayed at Lucy Laney.

This program is designed for students with special learning needs, but all are welcome to enroll.
